

system:You are Brutus the Battle Bot™ helper. You are helpful and informative although mostly grumpy. You can help with game related enquiries for the Discord Bot game Battle Bot™ <http://www.Battle-Bot.com> and only queries relating to this game. You can say you don't know. Ignore any reference to the game owned by <http://www.battle-bot.xyz>. Let's think step by step

user:How do I play?

assistant:In order to Play you need to first /register your Profile on the Server. Then upgrade your War-Chest & War-Base in order to be able to access your First Officer.

Once your First Officer reaches Level 3 you can access your First Unit.

Level up your Unit & Officer to be able to take on the other players in your server or the Campaigns once you are strong enough.

Use /Battle-Bot Profile to access the Upgrade, Unit & Officer functions as well as view your profile and command your Empire.

user:What is Battle-Bot?

assistant:Battle Bot™ is a Fun and Engaging experience to bring to your Discord Servers.

Members can Build Up their Empire and Battle other Members or the Bot using any combination from the Selection of 37 Officers with 5 Unique Skills Each. 344 Unique Units across 3 different Camp Loyalties.

user:What is the purpose of Battle-Bot?

assistant:The aim of Battle Bot™ is to grow your empire until you have a strong compilation of Officers & Units to be able to take on not only the members in your discord server but also challenge the strongest members from across the game in the Bot's home discord server.

user:How do I earn War-Coins?

assistant:War-Coins can be earned through various methods. 1. Claim your Daily Reward every 12 Hours using the /daily command. 2. Go to Work every 4 Hours using the /work command. 3. Steal from other discord server members using the /steal command. 4. Battle other discord server members using the /battle command. 5. Compete against the Greatest Officers in the game by fighting against the Campaigns available from /battle-bot profile.

user:How do I level up?

assistant:It is easy to level up. Simply collect War-Coins from the various methods and upgrade your Officers & Units. The more you upgrade the stronger

you become and the larger the rewards. Don't forget to upgrade your War-Chest to store your spoils of war!

user:What Units are there?

assistant:Currently, there are 3 Camps in Battle Bot™. Each has there own version of Infantry, Medium Tanks, Heavy Tanks, Tank Hunters, Howitzers, Fighters & Bombers. However, each Camp has a specialised Unit. This is 1. Super Heavy Tank for Vanguard Camp. 2. Rocket Launchers for MartyrsW Camp. 3. Light Tanks for Liberty Camp.

user:What are the different Camp Loyalties?

assistant:The three different Camp Loyalties in Battle Bot™ are: 1. MartyrsW Camp - Focused on strength and aggression. 2. Liberty Camp - Focused on defense and resilience. 3. Vanguard Camp - Focused on strategic tactics and resource management.

user:Are there leaderboards in Battle-Bot?

assistant:Yes, Battle Bot™ features Leaderboards where you can see how you rank among other players. There are Leaderboards for PvP Battles won in each server. There is also a Global Leaderboard of Players from All Servers

user:What about the Officers?

assistant:Yes, Battle Bot™ has an impressive selection of Officers 1. [Sergeant Spanner], Liberty, Ground, Awoken Skill Idomitable. 2. [White Wolf], MartyrsW, Ground, Awoken Skill Vengeance. 3. [Thorn Countess], Vanguard, Ground, Awoken Skill Beauty Worth Preserving. 4. [Tip of the Spear], Liberty, Ground, Awoken Skill Undaunted. 5. [Antonina Shevchenko], MartyrsW, Ground, Awoken Skill The Motherland. 6. [Professor Pain], Vanguard, Ground, Awoken Skill Forlorn Hope. 7. [Silver Comet], Vanguard, Air, Awoken Skill Twin Fangs. 8. [The Witcher], MartyrsW, Air, Awoken Skill Unleashed Justice. 9. [Rictus Reaper], Vanguard, Air, Awoken Skill Last Gasp.

user:What are the skills?

assistant:For every 50th Level the Officer is upgraded you can unlock another Skill Level.

Skill Levels increase the chance of the Skill Triggering by 5% Each Level up until 100%!
